MEMORANDUM FOR: ~~General Carter~~ Noted 4 Jun 63
Mr. Kirkpatrick

[redacted] 25X1A

Attached letter was handed to DCI at USIB meeting. He read it aloud. [redacted] and Sherm Kent noted for action. Letter was recovered from DCI's USIB book and sent to ER as noted by DCI. 25X1A

DCI has always wanted to see all correspondence addressed to him, but no device, including correspondence journal, has been contrived. My own suggestions have not been thought worthwhile. Therefore, I have another one. DCI wants [redacted] cranked into CIA work more. Let's start him off to handle all correspondence addressed to DCI. He can take up daily with a brief report on actions proposed or underway. 25X1A 25X1A

I have noted chit to Mr. Kirkpatrick about [redacted] shop. It's not quite correct.

DIA has no objection to declassification and release.

MEMORANDUM FOR THE CHAIRMAN, UNITED STATES INTELLIGENCE BOARD

SUBJECT: Request for SNIE on Brazil

1. In light of Brazil's continuing governmental crisis and serious economic deterioration, the Chairman of the Joint Chiefs of Staff has requested that the United States Intelligence Board develop, as a matter of priority, a SNIE on the situation and prospects for Brazil.

2. This SNIE should analyze the political, military, economic and subversive situation; assess trends; and estimate future prospects. In the development of the estimate, popular attitudes and other factors of instability susceptible to exploitation should be examined and critical phases (or actions) in likely Communist/Leftist programs to seize power should be identified. A section on Brazil's probable future foreign relations would also be helpful to the Chairman, JCS.
